For: Method For Bleaching Cellulosic Material With Carbohydrate Oxidases (COX)

REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This application was filed on June 20, 2005 as a national phase application of PCT/US2003/040736. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of provisional application no. 60/434,972 and 60/491,717 filed on December 20, 2002 and July 31, 2003.

The filing receipt received by Applicants contains the following errors:

1. In the domestic priority data, the U.S. provisional application no. 60/434,972 is listed as 60/434,975, *i.e.*, the last digit is incorrect.

Applicants therefore request the issuance of a corrected filing receipt with correct domestic priority data.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: April 17, 2008

/Elias Lambiris, Reg. # 33728/
